LEAVING US A GIFT IN YOUR WILL

This is a way of continuing to support our work and helping us build a more secure future for animals in Japan.

You can ask a solicitor to help you draft your Will to include JAWS UK; they will advise you on the types of 'gifts' you can leave, or they can simply amend your current Will, with your blessing.

We do not receive any government funding, so legacies make up a huge amount of the funds we receive. They really do make a significant difference.

If you decide to go ahead with this very generous consideration then please let us know. Not only can we thank you but it also helps with our planning for various upcoming and ongoing projects. It's vital for us and the animals we help that we continue our work for generations to come.

GIFT AID DECLARATION

Using Gift Aid allows JAWS UK to reclaim the tax you have already paid on your donations, so for every £1 you give we can reclaim an extra 25p from HMRC at no extra cost to you! To enable JAWS UK to reclaim tax you have paid and help even more vulnerable animals in Japan, please tick the box below, making sure to add your address details in the panel overleaf, and return the whole form to us at: JAWS UK, 51 Greencoat Place, London SW1P 1DS.

Your Gift Aid declaration: (*Please tick, sign and date to complete*)

I am a UK taxpayer and I would like all my donations to JAWS UK, past, present and future to be Gift Aid donations. I understand that if I pay less Income and/or Capital Gains Tax than the amount of Gift Aid claimed on all my donations in that tax year it is my responsibility to pay the difference.
